The Third All-India Census surveyed the units registered upto 2000-01, while its reference period was 2001-02. Adjustments have been made in the estimates using the number of units registered with State/UTs Government after 31.3.2001.

2. The estimates of production for 2006-07 have been calculated from the previous year's growth by assuming that a 13 percent growth would be achieved in 2006-07.
